

Because of YOUR support, we've helped hundreds of families, and many hundreds of children in the Merrimack Valley.

"It's all about the kids!"

Mon., June 9th, 2025 at Windham Country Club, local golfers will come together to raise funds and awareness for a great cause.

Join us, please.

The number of physically abused, mentally abused and neglected children in Massachusetts and New Hampshire would more than fill Fenway Park.

Your local **Drive Against Child Abuse** committee has been a major supporter of Child Abuse Prevention and awareness for more than two decades.

We work with and support first responders, child abuse prevention centers, family support centers and food pantries serving families in the Merrimack Valley.

Dear friend,

Your organization can be a part of New England Exchange Clubs' fight for safer kids and healthier families by sponsoring the 22nd Annual Drive Against Child Abuse golf tournament.

With success comes growth, which means we must make 2025 our BEST EVER Drive Against Child Abuse golf tournament.

Please help fight child abuse and neglect by playing in or sponsoring this special event.
